a virtual marriage encounter experience

A Marriage Encounter experience is a skill-building program where together, you, as husband and wife,* learn how to be the best couple you can be.

This Virtual Marriage Encounter experience, via Zoom, will give you the tools to remain strong as a couple and be a united force to provide a stable and loving environment for your children.

As you become empty nesters, you can use the same tools to continue growing and thriving in your relationship, living a lifetime love.

Marriage Encounter is not couples' therapy. There is no counseling. The experience consists of presentations by followed by private time between husband and wife.

If the word "Encounter" sounds scary to you, you're not alone. But don't let it turn you off. During your Worldwide Marriage Encounter experience you and your spouse will "encounter" an entirely new way to communicate with each other that you may have never "encountered" before.
