## What is Engaged Encounter?

It is a weekend to give couples who are planning to get married in the Catholic Church the opportunity to communicate with one another in an honest, intense, and loving manner. It is more than merely satisfying diocesan requirements. The couple will have the opportunity through direct topics to explore their strengths and weaknesses, their goals, and their attitudes towards family life, children, sexuality, finances, the church and their place in society.

## Who is it for?

It is for engaged couples who desire to develop and deepen their lives together. Although, the Encounter weekend is Catholic in origin and orientation, it is open to couples of all faiths, who desire to enrich the quality of their lives

## What happens on the weekend?

The atmosphere of the weekend is one in which each couple will concentrate on one another. It is not a SOCIAL weekend. There are no group dynamics. Meals and celebration of the Eucharist are the only group experiences. The engaged couple will work at deepening their level of communication with each other.

## Where is it held?

Weekends are held at St. Stephen's Diocesan Center passing the Pali tunnel heading towards Kailua on O'ahu and at other locations on the neighbor islands. Each couple receives notification two weeks prior to the weekend concerning the particulars of the Engaged Encounter.

## Testimony:

Kalani: "It was required that I go this weekend. I'm glad I attended because I really got a chance to spend the whole weekend with my fiancé, especially with our busy schedules. We really had time to talk without any distractions. I know now that I really love Chelsie and Yes it was a great weekend!"
